27th February 2025

Dear Year 2 Parents and Carers,

Pond Observation Activity on Friday 28th March 2025

Year 2 have started a mini scientific project learning all about frogs, their habitat and lifecycle. To finish this exciting unit of learning we are taking the children to a local pond.

All Year 2 children will be walking on Friday morning to a local pond to observe the habitat of frogs. We will be leaving at 9.00am and will return to school by 10.45am. We have a general consent for local trips from you on file and will assume you are happy with your child attending this trip unless we hear from you otherwise.

We need 6 adults to accompany us on this walk. If you have a current DBS and are available to help on Friday 28th March, please inform us as soon as possible (you can email the school office on office@broadwaterce.org).

Thank you for your ongoing support.

Mr Bellenie / Mr Esposito
Year 2 Class Teachers
