

Email sent to Y4 Parents on Thurs 6th February 2025:

Dear Parents/Carers of Year 4 Pupils,

Science Activity – ‘Apple Tasting’ on Thurs 27th Feb 2025

Your child's class will be tasting a variety of apples in Science on Thursday 27th February 2025. We are learning about seed variation and will be assessing the apples on colour and taste.

For your information, the apples we are planning to taste and evaluate are Golden Delicious, Granny Smith, Royal Gala and Braeburn.

Please contact the school office by Monday 24th February if we should be aware of any reason why your child should not take part in tasting any of the above apples. Any concerns, please do not hesitate to contact your child's class teacher.

Thank you,
The Year 4 Team
